
INFORMED CONSENT FOR SERVICES

I _____, understand that only the physicians and physician assistants at the Raby Institute for Integrative Medicine at Northwestern (“Raby Institute”) are practicing medicine and prescribing any type of pharmaceuticals. I recognized that all non-physician providers are facilitating my health and well-being within the scope of their training and any licenses, and do not diagnose illness with the exception of licensed psychotherapists evaluating and diagnosing psychological conditions as needed and allowed. I also understand that for any procedures that may involve needles, Raby Institute will utilize sterilized, single-use, disposable needles.

It has been made clear to me that non-physician services are not a substitute for medical examination, nor are non-psychotherapist services a substitute for a psychological exam. I understand that it is recommended that I see a physician or psychotherapist (either at the Raby Institute or an outside provider) should those services be required or advised.

I take responsibility for keeping the Raby Institute apprised as to my state of health and all known medical conditions. I know that I am encouraged to discuss any question or concerns with my provider(s).

I authorize the Raby Institute to charge my credit card \$50.00 (for existing patient) or \$100.00 (for new patient) if I cancel/reschedule my appointment with less than 24 hours, or if I fail to present at my appointment.

I have read the above, and voluntarily consent to the treatment and education at the Raby Institute.
